Flying Fisherman® Adds Bahia to Master Angler Eyewear Series

Islamorada, Florida Keys – New for 2015-2016, the **Bahia's** sleek lightweight frames are stylish and functional with virtually indestructible RhinoLenses™ for complete eye protection from flying hooks, lures, sinkers and more. And the Flying Fisherman® AcuTint™ lens coloring system provides crystal clear polarized optics, making it easier to spot fish and structure beneath the surface of the water. Frame colors are Matte Black and Tortoise and are available in amber or smoke AcuTint™ lenses, also Matte Black with Icy Blue Revo Mirror. Available in fall 2015, they include a microfiber case, and MSRP is from \$69.95 to \$79.95.

The Flying Fisherman® Polarized, AcuTint™ lens coloring system eliminates glare and enhances color contrast, without distorting natural colors. The enhanced visual sharpness and eye comfort adds to fishing productivity and maximizes the overall outdoors experience for anglers and water sports enthusiasts. More information on Flying Fisherman® products, along with testimonials, dealer locator and more, are available at www.flyingfisherman.com.
