Flying Fisherman - Glades Camo Sunglasses

Flying Fisherman has added two new sunglass models with camouflage frames; Glades polarized semi-rimless frame in matte camouflage with generous wrap-around, and super lightweight Glades in Acutint™ smoke or amber lenses. Both models enhance contrast and visual sharpness with 100% UV blocking. Suggested MSRP \$24.95 includes one year warranty. "We're excited to offer these new Glades in camo... many of our customers spend a great deal of time in the woods, as well as on the water, and have been asking for camo options," says Bobby Vaughn, Flying Fisherman account manager.
