## **Flying Fisherman® Adds Razor and Helm to Action Angler Series**

*Islamorada, Florida Keys* – New for 2015, two more additions will join the collection, we call them, Razor, and Helm. The Razor provides comfort with its larger wrap around frame and features a durable double injected rubber temple and nose pads for a non-slip fit. Frame choices are Matte Black, Matte white or Dark Tortoise. Lens options include Acutint smoke, amber, smoke blue mirror, amber green mirror.

The Helm is a medium fit wrap around frame with a sleek construction that will have anglers looking good and catching fish. This crystal and matte black frame is lightweight and stylish available in Acutint amber, smoke and yellow amber lenses. MSRP for Razor and Helm is \$24.95 to \$29.95.

The Flying Fisherman® Polarized, AcuTint™ lens coloring system eliminates glare and enhances color contrast, without distorting natural colors. The enhanced visual sharpness and eye comfort adds to fishing productivity and maximizes the overall outdoors experience for anglers and water sports enthusiasts. More information on Flying Fisherman® products, along with testimonials, dealer locator and more, are available at [www.flyingfisherman.com](http://www.flyingfisherman.com).
